

## Revenue Scotland Recruitment

As part of ongoing organisational development, Revenue Scotland is delighted to announce that its recruitment programme will go live in October.

We began operating on 1 April 2015 and, in the two years since then, have transferred over £1bn of tax collected to the Scottish Consolidated Fund, contributing to Scottish public services. As we move into our third operational year, it's a great time to join us!

Candidates from other government departments (OGD) can apply although we will fully consider applicants from the Scottish Government Common Citizenship group first. Once that is complete, we can consider applications from our OGD applicants.

Adverts for posts will go live **in early October** on the Work for Scotland website and on our website [www.revenue.scot](http://www.revenue.scot) Adverts will be live for four weeks.

Email us for information about the roles, to find out what it's like working in Revenue Scotland and how to apply. Sign up for vacancy email alerts: [bronach.hughes@revenuescotland.gsi.gov.uk](mailto:bronach.hughes@revenuescotland.gsi.gov.uk).
